Erratum to: Medicine in spine exercise (MiSpEx) for nonspecific low back pain patients: study protocol for a multicentre, single-blind randomized controlled trial

Daniel Niederer

Erratum

Unfortunately, the original version of this article [1] missed a detail. The full term can be found below:

Sufficient test–retest reliability and validity ($r^2 > 0.97$; RMSE = 4.1°; $p < 0.001$) of this measurement system for lumbar spine kinematics has recently been demonstrated [31].
